### **ABOUT THE COLLEGE:**

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much needed economy but also to technical education. At Shadan College of Engineering and Technology (SCET) we keep that light of the nation ablaze. The institution, ever since its foundation in the year 1995, is in the constant pursuit of keeping high the self imposed standards of excellence. Quality, Modernity and high degree of scientific temperament pervade every facet of the institution, be it technical education, laboratories or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity. We not only impart technical education but also moral values. Highly qualified fraternity, sprawling campus, state-of-the-art laboratories, well equipped library, spacious playground and above all ever enthusiastic management make Shadan College of Engineering and Technology (SCET) a unique Institution of Telangana.

### **VISION**

Shadan College of Engineering and Technology aims to be a part of the universal human quest for development and progress of young students by contributing ethical and socially responsible engineers who meet the global challenge for developing a modern society in harmony with nature.

### **MISSION**

- ♦ To use modern pedagogy for improving the teaching-learning process.
- ♦ To train young brains with competitive technology and nurture holistic development of individuals for a better tomorrow.
- ♦ To produce high calibre technical graduates through commitment, hardwork, diligence & rigorous academic study and offer preparation for higher education, professions and employment within collaborative framework.
- ♦ To develop a constructive attitude in the students towards the task of nation-building and empower them to become future leaders.
- ♦ To nourish the entrepreneurial instincts of the students and improve their business

**Dr. Mohammed  
Vizarith Rasool Khan**  
Founder & Chief Promoter

Education is the key to unlock the golden door of success. Dr. Vizarith Rasool Khan has indeed given all of us the key to success; he was a great visionary and Muslim reformer of the 20th century, the like of whom is rare. He wanted to make the community and country progressive and take them forward on modern lines. His supreme interest was intellectual development of the minority community through modern education. Interest of the youth's development was dearer to him rather than anything else. He was successful in making the youth understand the importance of modern education and endeavor their best to achieve it in order to stand on their own legs, and live a dignified life.

**Mr. Mohammed  
Shah Alam Rasool Khan**
